

RUBY RED INTERIORS of KENT Awarded Best Of Houzz 2020

The Annual People's Choice Award from the Houzz Community Highlights Home Renovation and Design Professionals with Most Popular Designs and Top Ratings

Kent, UK, 12 February, 2020 – Ruby Red Interiors of Folkestone has won a “Best Of Houzz” award for Design on [Houzz](#)®, the leading platform for home renovation and design. The Kent-based interior design studio was chosen by the millions of homeowners that comprise the Houzz community from among more than 2.5 million active home building, renovation and design industry professionals.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honour professionals whose work was the most popular among the Houzz community. Customer Service honours are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2019. Architecture and interior design photographers whose images were most popular are recognised with the Photography award.

A “Best Of Houzz 2020” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“We’re so incredibly honoured to be given this award,” said Karen Robinson, director of Ruby Red Interiors. “Houzz is such an influential force in the architecture and interior design worlds so the award really does mean a lot to us.”

“This year’s Best Of Houzz awards go to an incredibly talented and service-oriented group of home renovation and design professionals, and we’re proud to highlight the winners on the Houzz website and app,” said Inés Cid, Managing Director for Houzz UK. “This award is particularly meaningful as it reflects the sentiment of the millions of homeowners in the Houzz community who are hiring home professionals for their projects across the UK and around the world.”
